

DECLARATION OF EMERGENCY

Department of Environmental Quality
Office of the Secretary

Fee Increases for FY 02-03
(LAC 33:I, III, V, VII, IX, XI, and XV) (OS041E2)

In accordance with the emergency provision of the Administrative Procedure Act, R.S. 49:953.B, and under the authority of R.S. 30:2011, the secretary of the Department of Environmental Quality declares that an emergency action is necessary in order to collect additional fees so no services provided by the department will be diminished.

Act 134 of the First Extraordinary Session of the 2002 Legislative Session authorized a 20 percent increase in fee collections by the department. In order to invoice these authorized fee increases during the current fiscal year, this Emergency Rule is being implemented. The department has proposed a rule (OS041) that reflects the provisions of this Emergency Rule. The earliest date that OS041 can be promulgated is March 20, 2003.

This is a renewal of Emergency Rule OS041E that was effective on July 1, 2002 and renewed on October 29, 2002. This Emergency Rule is effective on February 26, 2003, and shall remain in effect for a maximum of 120 days or until the final rule OS041 is promulgated, whichever occurs first. For more information concerning OS041E2, you may contact the Regulation Development Section at (225) 765-0399.

Adopted this 10th day of February, 2003.
